ORIGIN & ETHICAL SOURCING

Patagonian Heritage: Our natural sheepskin, goatskin, fox fur, and otterskin originate from Patagonian Argentina. Paired with world-renowned Argentine cowhides, our hides are tanned to achieve a silky, soft, and durable finish meant to last generations.

100% Sustainable & Ethical: Real fur is 100% organic and fully biodegradable. All hides are ethically sourced strictly as a 100% by-product of the meat industry in a fair-trade environment.

Wildlife Management: PITUCA is officially registered with National Wildlife. Products made from fox and otter originate from regulated culling programs that help maintain balanced ecosystem populations.

NATURAL PROPERTIES & CRAFTSMANSHIP

Artisanal Craftsmanship: Every piece is individually hand-cut and sewn by skilled Argentine artisans upholding centuries-old traditions.
Wool Benefits: Rich in natural lanolin, sheep wool is naturally impermeable and antibacterial.

One-of-a-Kind: As a natural product, every hide features unique shape and texture variations. Natural white sheepskins carry an authentic, soft cream/yellowish undertone

CARE & MAINTENANCE

General Care: Avoid direct sunlight to prevent UV damage. Shake regularly to maintain texture.
Spills & Cleaning: Attend to spills immediately. Never rub, brush, or massage hides when wet or damp. Professional cleaning only.

ORDERING & SHIPPING TERMS

Bespoke Orders: Most items can be custom-made to fit your specific size and color requirements.

Unfilled Shipping: International pillow and puff orders ship unfilled (cases only) to optimize shipping costs.

Lead Time & Payment: Orders ship within 4 to 6 weeks from payment confirmation. We accept wire transfers and credit cards.

Pricing & Samples: Due to market volatility, pricing is subject to change. Samples are available upon request (costs vary by fur type).
